

Use of RCC equipment.

- RCC kayak/canoeing equipment must only be used at club-sanctioned events unless with exceptions agreed by Committee.
- Current usage rates are advertised at the front of Splash and must be paid by all users. Only the current committee may waiver the cost in some circumstance.
- When equipment is removed from the storage area it must be clearly noted on the white board. Name, itemized list, date of removal and expected return.
- Access to Clubhouse is by authorized member only who takes responsibility for Clubhouse security
- If an item of equipment is lost or damaged it must be reported immediately to the committee.
- General wear and tear is acceptable but if a user has lost equipment or created damage above standard wear and tear (i.e. leaves on a river bank, does not securely fasten to a roof of a car) then repair or replacement cost will be required from that user.
- The club marquee when not being used at club events must be approved by the committee. Fees and deposit are required.
- See raft policy for raft usage.
